OVERVIEW OF THE FIVE SOURCES OF ICL As international criminal law is a subset of public international law, the sources of ICL are largely the same as those of public international law.³ The five sources of ICL used by international and hybrid criminal courts generally are: 1) treaty law; 2) customary international law (custom, customary law); 3) ...the international criminal court and positive complementarity: legal and institutional framework This study seeks to establish how the legal and institutional framework for positive complementarity may be effectively implemented.

I. Starting Places. International Criminal Law: A Selective Resource Guide provides a guide to basic research materials, in both print and electronic formats, and also includes a section specifically on crimes against humanity and human rights issues; unfortunately, it's a bit out-of-date.

International Criminal Court documents: Rome Statute of the International Criminal Court Rules of Procedure and Evidence Elements of Crimes Regulations of the Court Code of Professional Conduct for Counsel. For more documents, please visit the Resource Library on the website of the International Criminal Court.
