Greene does a good job in arguing for the distinction between the Tragedy of the Commons (within-group moral reasoning), and what he calls the Tragedy of Common Sense Morality (between-group moral reasoning). Moral Tribes: Emotion, Reason, and the Gap Between Us and Them. But modern times have forced the world's tribes into a shared space, resulting in epic clashes of values along with unprecedented opportunities. As the world shrinks, the moral lines that divide us become more salient and more puzzling.
