I can't fold my Nordic Track EXP 2000 XL treadmill. When I try to fold the unit, the bolt does not fit in the catch - it's too high to slip into the notch. I think it's because I can only get the incline down to 1.0. Here at Fitness Equipment Services we specialise in delivering tailor made solutions specifically designed to meet our customers own individual service needs. Rebounding Exercise Review. Some people (and NASA!) think rebounding is the best exercise yet. Here's a roundup of the benefits and some comments from rebounding devotees.
